

UNIVERSAL THREE PIECE FIBER DROP CABLE CLAMP

Product Details

- An optimized three-piece clamp designed to support Corning's SST-Drop™ Fiber Cable, and ROC™ Fiber Drop Cable, as well as similar cables produced by other manufacturers. The clamp is also designed to support 1-2 Twisted Pair Copper Drop Cables.
- The clamp is rated to support Fiber Drop Cables to a maximum of 400lbs with minimal attenuation and 1-2 Twisted Pair of Copper Drop Cable up to 550lbs.
- Shell, Wedge and Shim are stamped from #304 Stainless Steel. The Bail Wire is formed from deadsoft #430 Stainless Steel.
- Elongated clamp provides compression over a greater surface area.
- Perforations on the shim compress the support members of the fiber cable without causing attenuation of the fiber.
- Patent pending.
